# QUINZE

The image is a full-page illustration with a warm, golden-brown color palette. At the top, a silhouette of a city skyline with various buildings and trees is visible against a bright, hazy sky. Below this, the title 'O QUINZE' is written in large, bold, black, blocky letters. The background is a vast, cracked, and arid desert landscape. In the foreground, a woman with her eyes closed and head tilted back is shown from the chest up. She has a golden, shimmering texture on her skin, and her arms are outstretched. The overall mood is one of hope and longing in a harsh, desolate environment.
